Description:

First day: early morning departure from the tramway du Mont Blanc in Saint Gervais to Nid d'Aigle (2372 m) Ascent to refuge du Gouter (3817m) in five hours.

2nd day: Departure at about 3 am-arrival at the summit of Mont Blanc at about 8 am. Return in the valley by the same route.

Dates: From mid-June the end of September

Level of ability: You must already have some experience in walking with crampons

Physical condition: The ascent of Mont-Blanc should be taken seriously with the necessary physical training and preparation

Technical equipment: Ask us the equipment list.

Participants: 2 people maximum per guide.

Climb up to the roof Europe with the guides of Saint-Gervais and the warm welcome of the royale route.

A demanding human adventure, which you must be in good physical condition for, have a lot of will, be well accompanied and find favourable weather conditions.

Since 1864, the mountain guides of Saint-Gervais have taken their clients, « travellers » and friends to the summit of a magical mountain which is nevertheless a difficult challenge goal not to be undertaken.
